KITTSOON COUNTY

**SUBSTANCE
ABUSE
PREVENTION
TASK FORCE**

OUR MISSION

The mission of the Kittson County Substance Abuse Task Force is to spread awareness of the harmful effects of substance abuse, promote education and resources for mental health and substance abuse all while working to foster a thriving community.

HOW ARE WE FUNDED?

Following multiple lawsuits against major pharmaceutical companies in 2021, a settlement was reached that established funding for each state and their local governments.

Minnesota is set to receive 300 million over the course of 18 years and will distribute that money to each county.

WHO ARE WE?

Funds received from the Opioid Settlement are to be put towards prevention practices, treatment and recovery, harm reduction, law enforcement, or child welfare.

The SAPT is made up of a wide variety of Public Health, Law Enforcement, Education, City Officials, and concerned community members.

FOCUS AREAS

Education and Prevention Practices of Substance Use in Young Adults

Promotion of Mental Health Resources Available in our Community
